Thanksgiving Offering Started In November

Presbytery	Nov. Receipts	Thanksgiving	Am't Received Per Mem.	Total Per Mem for Year
Winston-Salem	$273.58	$ 1,389.19	25.7c	64.5c
Concord	750.60	2,176.21	22.4c	51.3c
Mecklenburg	759.61	775.74	8.2c	36.2c
Kings Mountain	179.36	102.80	4.4c	34.8c
Albemarle	213.64	62.05	5.4c	30 c
Orange	426.62	948.45	9.3c	29.3c
Wilmington	250.68	133.50	4.5c	28.4c
Granville	449.53	65.10	7.7c	26.8c
Fayetteville	680.47	128.73	5.7c	24.3c
SYNOD	$3.984.09	$5.781.77	10.5c	35.3c

The significant fact behind the table of receipts for the month of November is that the regular giving showed an increase of $492.51, to give a net gain of $1,346.43 in regular donations for the first two-thirds of 1942-1943. That was a gratifying status just before the bulk of the Thanksgiving Offering started pouring in to Barium Springs. Some of these, of course, arrived in November, but December will be the big month for receiving the Thanksgiving responses.

Since Thanksgiving Day was a week earlier in 1941 there was a considerable difference between the Thanksgiving sums in hand on the respective dates of November 30th. At that time a year ago, $11,-217.59 had already been received at Barium Springs, but through November 30, 1942, only $6,094.77 had been reported. That's $5,122.82 less than the year before, but that is simply a statement of fact and is not mentioned for any comparative status of what will be contributed in the two Thanksgiving seasons.

For the first time in a good many years, the regular contributions in 1941-1942 were superior to the Thanksgiving Offerings. That may go back to the usual pattern by the end of 1942-1943, for the Thanksgiving Offerings so far received have been so superior to the 1941 reports that the Thanksgiving aggregate seems destined to be greater than the regular total, even if Synod showed a proportionate gain in regular donations in the last few four months to that of the first eight.

In the table of receipts above, the per capita averages of Winston-Salem and Concord Presbyteries are considerably ahead of all of the rest, but that is because these two Presbyteries had together been responsible for over $3,700.00 of the Thanksgiving Offering that had been received through November 30th. The real status of all of the Presbyteries will be somewhat in keeping with their normal ranking when the table of receipts for December is prepared.

Of the regular amount of $26,-688.06 in hand at the close of last month, the Sunday Schools had sent $12,725.13; the Church budgets had apportioned $6,217.18, and the Auxiliaries had given $5,091.99. That worked out to be 47.7% from the Sunday Schools; 33.2% from the Church allotments, and 19.1% from the Auxiliaries. Detail on this in all Presbyteries follows:

Presbytery	Ch.	S.S.	Aux.
Albemarle	$216.07	$621.83	$637.76
Concord	1,431.08	2,209.99	694.42
Fayetteville	722.52	2,250.85	344.21
Granville	511.99	477.28	632.51
Kings Mtn.	381.75	1,404.54	342.23
Mecklenburg	2,622.89	2,581.29	826.02
Orange	776.24	1,615.97	979.23
Wilmington	1,108.04	928.00	274.61
Winston-Salem	1,100.36	635.38	361.00
Total	$8,870.94	$12,725.13	$5,091.99

Bulletin

On the basis of the 1942 Thanksgiving Offering returns at Barium Springs through December 21st, the total contributed by the Synod of North Carolina was slated to be considerably in excess of the $46,355.23 that was given in the season of 1941. Approximately $40,700.00 had been forwarded by local treasurers through the 21st, and original or completed reports were yet to be made by 192 churches or mission points.

Eminently outstanding this year has been the excessively large number of churches contributing their largest responses in a period of 18 Thanksgiving seasons. Out of 353 completed reports on the 21st, 120, or more than 30%, had given their peak sums in 1942. This will possibly be over 150 churches when the books are closed on the Thanksgiving Offering at the end of the church year next March. Of the 353 finished reports, 285 had given as much, or more, than in 1941, leaving a scant 68 falling below the Offerings of last year.

Football Warriors Honored at Banquet

Annual Delightful Affair Is Held On December 4th.-Many Awards Were Made

The presentation of a special trophy to Capt. Donny Bolton by his teammates climaxed the annual football banquet on December 4th at Barium Springs at which members of the midget and varsity teams were honored guests. The banquet was staged in the dining room at Rumple Hall and the attendance of both the football aggregations and other invited guests slightly exceeded 225.

Announcement was made near the close that Esau Davis was chosen by the team to captain the 1943 varsity contingent. By the vote of the players Ernest Stricklin, a guard, was named as the best blocker during the recent season, and Donny Bolton received the nod from his teammates as the best tackler and also the most valuable. This was the third year in succession that Bolton had merited the "best tackler" vote. Except for one single ballot, he was the unanimous choice as the most valuable and in announcing this, Mr Johnson surmised that this was the vote of Bolton for somebody else.

Ernest Stricklin made the presentation of the trophy to Bolton and in so doing attributed the inspiration of the team to Bolton who kept the boys playing hard despite the handicaps that were theirs during the season because of inexperience and lack of weight. This was the first time that such an award had ever been made and it was the idea of the players.

Six different groups were welcomed by the toastmaster, Ernest Milton. The first included the football boys themselves, followed by the senior cass members, two alumni-soldiers, Wilson Lowrance and Sam Lackey, who could be at the banquet; the alumni of the Home, members of the staff, and 40 visitors from Statesville, Davidson and several other North Carolina points.

R. E. Jackins awarded the 85-pound certificates, the presentation to the 100-pounders was made by S. A. Grier; W. A. Hethcox presented certificates to those on the 125-pound and "B" teams, and

Football Resume of 1942 Season

Usually in the football season we start out in September all aglow with the heat and end up shivering with the late November winds. This year was just the reverse. We started our season shivering with forebodings. We ended it up aglow with pride! Now let's explain that a little bit:

We ended up the 1941 season with the best record we'd ever had, and probably the best team. We started the 1942 season with the most untried set of boys we'd ever started out with since the beginning year. We only had two letter men and practically no back field material. Nearly every boy on the team outside of the two letter men were experiments and we took this bunch of experiments to Concord for our opening game to face one of the biggest teams Concord had ever put out. And they were not only big in size, they also knew their stuff. Concord had just put on the Twelfth Grade and a good many of these boys were Seniors of the year before. Well we played a grand defensive game - we had one opportunity to score - taking the ball down to the ten-yard line, but didn't have the punch to put it over. Later in the game as the result of a blocked kick, Concord was in position to score and they proceeded to score. The final result, Concord 6, Barium 0.

Following this we went to Charlotte and at the start of this game our boys didn't look nearly so good as they did against Concord. We seemed unable to stop Charlotte's charges and they marched right down the field for a touchdown. After that Barium tightened up a little but not enough to prevent two more Charlotte touchdowns, the final score being Charlotte 20, Barium 0. Barium played a much better game in the last half. By the way, this is the first time in many years that the score in the Charlotte game has been more than a one touchdown difference.

Following this Barium stayed at home for their first home game, and faced the big Thomasville team at the very peak of its performance. They beat Barium 27-0 and there was nothing accidental about it. They were that much better than Barium on that day. A boy named Lambert was poison to our boys and just couldn't be stopped.

The following week we went to Winston to play a strong Children's Home team. This team was certainly three touchdowns better than Barium. Late in the game Barium played rather careless ball and handed the Children's Home two additional touchdowns, the final score being Children's Home 33, Barium 0.

Then to Kannapolis - Home-Coming day with a tremendous crowd to see it. Kannapolis scored and then Barium scored to tie things up and later on Kannapolis scored again, with the final score being Kannapolis 14, Barium 7.

By this time we had found out that we had to have more strength and weight in the backfield and Donny Bolton was placed there as a regular. During the early games he would sometimes play for a quarter, now he is in the backfield as a regular.

Over to Lexington for another big home-coming game and the result was Lexington 13, Barium 0 - the identical score that Lexingtong beat us two years ago, but there was not one unpleasant episode in the whole occasion. Lexington was suffering from the same thing that Barium was, graduating most of their talented players. Those who were left were doing a grand job trying to carry on the traditions of the school.

Back home the following week Barium met Albemarle and there happened the biggest upset of the season. Albemarle had previously defeated Statesville 32-0 and beat Concord 25-6 and looked on paper to be mighty good. They evidently took Barium too lightly, for we just kept plugging away, scoring first and then coming from behind after Albemarle made two touchdowns to score two more touchdowns and defeat them 20-14.

Then Home-Coming Day with Troy as the opposition. Troy was a completely unknown team. They came from across the Yadkin River and had had many handicaps to overcome - the loss of the coach being one. They did some good individual playing, but our team had no difficulty in beating them 32-6.

Following this game at Salisbury, where they took us to the cleaners, 20-0. Salisbury had one of her best teams and Barium did a manful job holding them score-

News From Most of the Cottages at Barium

JENNIE GILMER.

Hello folks! This is Jennie Gilmer bringing you another report of cottage news for the month.

Herbert Good and Jerry Young both made the honor roll, and J. D. Everett, sixth grade boy, and Thad Stevens, seventh, got show tickets for most improvement in the last month.

We thank our Hickory friends for remembering us with the lovely box for Thanksgiving.

We also appreciate Mr. Sams inviting us to see "About Face" on Thanksgiving.

The following boys from our cottage are in the Junior choir: Edward Walker, Ray Huddleston, J. D. Everett, Grady Mundy, and Jimmy Hayes.

Sam and Andy Piner, Bill Rogers, and Bill Scott have had visits from their folks.

We are milking 31 cows and are keeping plenty of milk in the cold storage.

It is cold when we get up these mornings.

We are looking forward to Christmas and having our Christmas tree.

We hope to have a good time at the Big Christmas tree this year. We wish you a Merry Christmas and a Happy New Year.

—Charles Barrett.

LEE'S COTTAGE.

Christmas is just around the corner, and we are all getting excited and happy about it, for that is the finest season of the year at Barium. Our friends are so kind to remember us, and we have eleven days out of school. We will have a lot of fun playing, and we can stay up later at night.

Everyone is trying to keep well. At the present Charles Stevens is laid up with a sore heel, and can't wear his shoes.

We know you want to hear about Spot, our dog. He has outgrown his nice collar, and is getting to be a big dog. We are thinking of loaning him to Uncle Sam for the army. We hear he needs a lot of dogs.

We are playing basketball some these days.

We have some **attractive new** bed spreads **in a nautical design** for our sleeping porches. Our good friends in Circle One of the Mooresville Auxiliary gave us enough for two porches, and another good friend from Kannapolis gave us the other porch. They are in three colors, blue and two shades of red. We appreciate them very much.

Miss Long's sister, Mrs. Fred Walkup, and baby daughter, Elaine, spent a few days in our cottage recently. We all fell in love with the baby and about decided we had rather have her than Spot.

Miss Turner has been reading us "The Bird's Christmas Carol" by Kate Douglas Wiggins. It is a beautiful story.

We want to wish for all of you "Merry Christmas and a happy, bright New Year."

BABY COTTAGE.
Second Floor.

We had a good time Tuesday afternoon.

Miss Straughn invited us to visit her little folks at school—the little first grade. They played games and we played with them, ate apples, listened to Miss Straughn tell Christmas stories, and heard them sing pretty songs. We sang with them some of the time.

We saw the pretty things that the children had made. One little boy, Junior Ennis, had moulded a cradle with the little baby Jesus in it. They moulded snakes, frogs, pigs, elephants and lots of funny things. Patsy Deane enjoyed looking at the picture books. They had made little houses with a chimney and had a pretty little Christmas tree on a table.

Thank you, Miss Straughn and the little folks.

Our big sisters, Toni DeLancey and Marion Coffey, are practicing us for a pageant. We dress up like Mary and Joseph, the Wise Men and the Angels. We like to do things.

We are building a picture story in our playroom. It is a Christmas story.

Louise Bradshaw's father came to see us and brought oranges for all of us. They were so sweet and juicy.

Shirley Hall's grandfather and Auntie and little sisters came to see her last week and brought nuts and candy.

We went to walk this afternoon and Mr. Johnston was sitting on the steps at the office building. All of us jumped on his lap at the same time, pulled his hat off, and he just laughed and we had the best time.

'Bye till next month.

—Baby Girls

SYNOD COTTAGE

Dear Friends; Are you ready for Christmas? We can hardly wait for Santa to come. Every morning we mark another day off the calendar.

A man came to our church last week and showed us some of the most beautiful pictures of the Holy Land. We enjoyed seeing them so much, and hope he will come back again some time.

Mac Wicker had his tonsils out last week. He got along so well, his throat hardly hurt him at all. He didn't even stop eating.

Robert Lee and Charles Hall had a visit from their grandfather Sunday. They sure were glad to see him.

Everybody at our house is trying to be real good so 'Ole Santa will fill his stocking. We hope he will be awful good to you.

Wishing you a Merry Christmas.

—The Wigglers.

INFIRMARY.

Dear Friends,

Christmas is just about here. It just doesn't seem possible that the time could have passed so quickly. Of course, all the cottages are getting ready, hanging out wreaths and decorating their trees.

Mrs. McNatt had a visit from her son, Charles, and his wife. They couldn't stay very long and both of them looked very good.

Bertha Lee Broome, a senior girl, is here recovering from an operation for appendicitis. Marie McNeil, one of our smallest girls, and two small boys are here.

We have had two little girls and two boys to come to live with us this week. We hope all four of them enjoy their stay up here. They certainly picked a good time to come, didn't they?

Our basketball team is living up to the praise they received last year. The fact that so many of our good players graduated last year doesn't seem to bother the girls and boys at all.

We weigh and measure for our health examination this month. I'm sure the scales will bear out all we have been saying about the good health of our campus.

School is out for the holidays December 23, and everyone is studying hard for the examinations. We will not have to bother with school any more until the 4th of January. But confidentially we really do like school, except it sometimes seems sort of funny to study about things that happened way back then when so many things are happening now.

Our Thanksgiving offering was wonderful, and we take this opportunity to thank all the people who gave to it.

One of our girls, Lillie Bell Smith, was selected as one of those to attend the young people's conference of children from Homes like ours. They met at Lexington.

We wish you all a Merry Christmas and a Happy New year.

—The Infirmary Girlls.

HOWARD COTTAGE

Hello Folks,

Here are the Howard girls back with you again. Last month we had seven girls on honor roll. They were Ethel Brotherton, Shirley Inman, Kathleen Monroe, Mary Morgan, Elsie Vest and Betty Sue Wolfe.

Three of our girls had visits this month. Gennie Lee Phillips, Helen Morgan and Gwendolyn Landrum.

It has been snowing and we had a good time while it lasted.

We wish to thank Mr. Sams for inviting us Thanksgiving to the show. We sure did enjoy it. We want to thank Daddy Johnston for letting us go.

Miss Long, that sure was a good Thanksgiving dinner, um, um. Every one enjoyed it to the last bit.

Well, it is just about time for Old Santa. Have you been good? We have tried awful hard.

We wish every one of you, A Merry Christmas and Happy New Year.

So long till next time, we'll be writing you.

—Howard Cottage Girls.

BABY COTTAGE
First Floor

Our little boys are always wanting to know if certain people are Americans, or German, so one of our little boys, Johnny Collins asked our matron, was Ole' Dan Tucker an American? The matron said she thought he was, and he asked her was Ole' King Cole an American, and she said she didn't think he was, because we don't have kings in our country. She said she thought he was an Englishman.

Some of the boys have had visits from their people. They were: Charles Bowles' mother, Johnny Collins' people and Jimmy and Donald Campbell's sister.

We had a very nice Thanksgiving. We have a lot to be thankful for. We want to thank Mrs. McClelland, from Mooresville for the lovely party she gave us. We also want to thank the ladies of Circle No. 3 for the lovely basket of fruit. We also went to the show Thanksgiving.

We went to Mooresville and gave a little program for Circle No. 3. We recited the Books of the Bible, 100th Psalm, twenty third Psalm, Apostles Poem and sang two songs.

I guess we will sign off, and see you again next month.

—The Little Boys.

ANNIE LOUISE

Another month has gone by and it seems too good to be true when we realize that in just three weeks Old Santa will be around with his huge pack of toys and goodies. We have written to him, so he won't forget us.

We were very sorry to see Mrs. O'Kelly go. Just last year she was our "mama" before we moved to Annie Louise. We love her and we hope she will come back to see us soon.

We are glad to have Mary and Vivian Bowles. They were here about three years ago. They lived with us at the Baby Cottage. We have twenty-nine girls now.

We had several visits from friends and relatives within the past month: Peggy Anne Collins' father, who is in the U. S. Armed forces, Miss Caroline Battley came and had Thanksgiving dinner with Caroline Wicker, Anne Austin's mother and grandmother stopped by to see her. Eloise and Mary Frances Morris' mother paid them a visit. Their father and some relatives came to see the Bradshaws. From Cooleemee came Louise Campbell's sister. Mary and Vivian Bowles' mother was up to see them Sunday, and Peggy Joyce Land's mother came Tuesday.

All the girls at our cottage were so happily surprised on Thanksgiving Day, the Business Woman's Circle No. 1 from Belmont sent us the nicest little individual packets of candy. We surely did appreciate their thoughtfulness.

We almost have a perfect score on our clothing boxes. We have received all of them but one. We think our clothes have been the nicest we have ever had. Thanks a lot, friends.

The music club met in Miss Greene's studio. Peggy Joyce Land and Helen Hawley had a part on the program.

Our cottage and Howard Cottage sent jointly, cards of Christmas greetings to those of our boys who are in the armed services overseas. We were very happy to be able to help cheer up the boys a bit.

Our reports came out last week. We had six honor rolls: Louise Campbell, Eloise Morris, Peggy Joyce Land, Hazel Creech, Pattie Inman, Sylvia Sue Buie.

We're closing until after Christmas. If you see Santa, tell him that we are trying to be awfully good and we hope to see him soon.

—The Annie Louise Girls.

Walter Archer announce the marriage of Sergeant Archer's sister, Avis, to Roy Curtis McLaughlin on December 5th at Charlotte. No information was given about the bridegroom, but the bride worked in Charlotte and was later a resident of Laurinburg. Mr. and Mrs. McLaughlin are living on Route 7, Charlotte.

Jones-Bender.

Alice Jones and Sergeant David Neiffer Bender, of Philadelphia, were married on December 5th. This information came in a brief note from the now Mrs. Bender, but no revelation was made about her husband. Alice worked in Davidson for a while after leaving Barium, was at Carolina Beach in the summer, and more recently was in Wilmington. She was at Barium for Home-Coming Day.

John Irby McDonald, who is connected with Uncle Sam's forces and is located at Topeka, Kans. wrote that he had been married for three months, but he did not furnish any information to us as to the name of his bride before marriage. The first revelation of the event was John Irby's letter telling that his wife had been run over by a hit-and-run driver in Topeka, suffering serious injury to her left side. John is one of the most-traveled of all the boys, for he has been shifted all over the west and mid-West several times.

BIRTHS.

Staff Sergeant and Mrs. E. N. Bussey announce the birth of a daughter, Mary Lou, in Charlotte on December 15th. Mrs. Bussey is the former Miss Odessa Warner.

Mr. and Mrs. George T. Faison, of Newton, announce the birth of a son, George Terry, Jr. on Nov. 17th. After finishing here, George worked in Statesville and is now in the picture show business at Newton.

Mr. and Mrs. William L. (Al) Smith, of 421 E. LaFayette St., Salisbury, announce the birth of a son, William Louie, Jr. on November 16th. After attending Erskine, Al worked in Clinton for some time, but has been more recently connected with the White Packing Company in Salisbury. Al has passed his physical for the army, but was deferred until January 11th.

PERSONALS.

Suppose you were living around a thousand miles from Barium and walked into a restaurant one night and saw an old Barium friend sitting a few tables away! What would be your reaction? Well, just that thing happened to Leone Caudill (now Mrs. J. S. Carscallen) and Essie Roper (now Mrs. T. W. Clarke), both of whom married Canadians and are living in Hamilton, Ontario, Canada. But, let them tell the story as it was related to Mr. Johnston in a letter written on December 5th:

"We are two of your girls who have married Canadians and are now living in Canada.

"While we were out having dinner with our husbands about a week ago we met, not knowing that the other was living in this city. We were thrilled to death. We often think of you and how wonderful that you were to us. How is everything in North Carolina? We would like to visit back at the school but it is so far away that is impossible. We are writing this together in Tom Clarke's office. He is, as you see, in Real Estate and my husband is traveling for Universal Pictures. We are both nicely situated in Hamilton. We hope that you and the family are all in the best of health.

"In closing, we wish to thank you for all the kindness received while at school and we really think of you often. A very merry Christmas and a happy New Year to you all."

Mrs. Carscallen is living at 31 Carrick, and Mrs. Clarke at 91 South Oval, both in Hamilton, Ontaria, Canada.

The alumni of Barium Springs write back a great deal about their home here, but recently one of the wives of a Barium boy cut loose with a few ecstasies. We think it's worth reading, for it came from an individual who has never seen the Home. Here's what she said:

"Maybe you are wondering why I am speaking as I am, but I always thought of an orphans' home as one where children don't like to stay and are always glad to get out. ——— has made me see that it isn't like that at all. I am so glad that he has such a wonderful place to call his home. * * * I am so proud of my sailor-husband. Thanks so much for bringing him up to be the man he is today. My heart is full of love for you and for all that you have done for ——— and the rest of your children. * * * I am so proud that he had a chance to stay at such a home."

Mrs. Frances Boyce Lauhoff is now living at 10231 Osga Road, Romulus, Mich., which is near Detroit. Mrs. Lauhoff has a family of three boys and two girls, the oldest being a boy 13.

Mrs Nellie Culp Binder is now living at 61 Geneva St., Geneva, N. Y. Her boy is nine months old. She formerly lived in Fayetteville.

Mrs. Mary Lathan West Sullivan now lives at 11-D Nesbit Court, Wilmington, where her husband is project manager for Federal Housing Authority.

Mrs. Lucile Mizzell Dresnok is living at 2528 S. Rosewood St., Philadelphia, Pa. She is taking a defense job and needed her birth certificate. Her husband works in the Navy Yard at Philadelphia. They have one son.

Among recent visitors to the campus have been Lieut. Eugene Shannon, who had a 10-day leave from California; Henry Alessandrini, in the Marines, who was off for a few days before transferring from New River to California; Corp. Sam Lackey, who is doing mechanical work for Uncle Sam, and is located at New Orleans, La; Lieut. Wilson Lowrance, who is stationed in a hospital in El Paso, Texas, and Howard Beshears, who operates on one of Uncle Sam's ships.

Perhaps the best way to give some detailed news of the boys and girls in the armed forces is to quote partially from a letter which Mr. Johnston wrote the first of December. It is recognized that many changes in locations have already been made and promotions have taken place, but it won't be old news to a lot of people. Anybody desiring the latest address of any in the services can write to Barium Springs, and in most cases it can be furnished, for the boys and girls keep in close touch. Here are extracts from the December letter, and perhaps the best policy in the future is to quote from his letter each month:

"Our very youngest recruit, Lester May, was in the Hospital at Pearl Harbor laid up with what he said was red measles.

"Dalma Jessup out in Lincoln, Nebraska happened to run across Miss Una Moore, and from what they both say about it, they must have gotten together at the biggest eating contest ever!

"A. C. Gant is now in the Pensacola Naval Air Station and has run across Joe White. Joe says this is the only Barium boy he has seen at his station, although he has seen a lot he knew while at Barium and ASTC. Russell Mc-

"A. D. Potter writes most interesting letters about their doings in the jungle down in the Canal Zone. He says it only takes two steps to get from civilization in to the real jungle, where you are liable to step into a snake and he says the man-eating mosquitoes are worse than the snakes and animals.

"A. J. Potter has been promoted to Captain. A. D. has also had a promotion since my last letter. Dewey Barnhill hasn't been getting mail quite as regularly as he used to - he is way down under and I know he is seeing plenty of action!

"Corris Smith is in Oklahoma and he says it has been raining for three weeks, and he is anxious to either get back to Barium or to where he can shoot some Japs.

"Arnim East wrote a nice letter, part of it was bragging on the trench knife he has been issued, and part of it complaining about the smell of his gas treated clothes! Alexander Edwards, a Marine and proud of it! He is studying to be an Aerial Gunner - expects to be sent to West Coast soon. Dave Spencer has made his third move since his marriage. He finished up at Maxwell Field and is now in 63rd A.A.F.F.T.D. at Douglas, Ga.

"Nelson Farmer is in the Army now and is in Oklahoma. James Shepherd is in a gun crew at Little Creek, Virginia. Rex Lewis has been made a Corporal - he has had a trip to Carlsbad Caverns, saw Carmet Sigmon and Marvin Stone.

"John Cole McCrimmon writes from way out at San Diego. Marshall Wilson who some of you will remember as 'Punkin', is now in the service. He is preparing to be an Aerial Gunner. Walter Zeigler is now at Fort Lauderdale, Florida.

"George Nungezer is now in the Navy and is on the North Carolina. Received a Christmas card from him. Hazel Simmons' last letter complained about not having enough to do - the indications are that she is having plenty now, as she is probably in the Mediterranean on one of those hospital ships. Joe White is making application for a commission in the Navy. He has made a mighty good record, and he will very likely succeed in getting that commission.

"Bobby Bosworth is in the Technical School Squadron at Miami Beach. He was married last February. We received the announcement of his graduation from the West Coast Air Force, Advanced Bombardier School from Marvin Stone.

"Hugh Norman, Lacy Beshears and Woot Davis signed up for the Navy on Armistice Day and on the 19th they found themselves at the Great Lakes Training Station. Elizabeth Bobbitt Campbell is being a true neighbor. Mrs. Leonard Fort had just gotten back from the hospital with a bran new baby when Leonard had to leave. Elizabeth took charge. She writes that Tom Bobbitt has been made a 2nd Lt. Bill Bobbitt has been transferred from Puerto Rico to Trinidad.

"Paul McKenzie writes from way up North - says the weather is mild up there, but he won't have to wait long to get some real Maine weather. Arthur Sigmon is still looking for some of the Barium boys. He is probably back in Norfolk now. I hadn't heard directly from Paul Pittman in quite sometime, but a letter from Paul's mother states that Paul and his wife had been in Durham for a two-weeks visit, and are now at Garden Court, Main at 41st Street, Jacksonville, Florida.

"Lee Spencer writes interesting letters from England. Says he is answering questions all the time as to what America is like; and he marvels at the way people do without so many things that we have so much of, without complaining. In fact, Lee and all the others who have arrived in England seem to admire the people there very much.

"A. D. Potter sent in his Regimental Insignia; believe that is what you call it.

"We were all thrilled Saturday morning when we got news direct from Jim Johnston. He stated that he was in Africa and safe. They had evidently had a big battle and were preparing for another, but Jim was about as unconcerned about that as he used to be going into a football game. Sam Bernardo ran across Joe Johnston in Washington recently. I would like to have heard their conversation!

"Well, as I'm writing this it ends the Thanksgiving season and how thankful we are that you are all safe. The next letter I write will be during the Christmas season and you know during that time we have our weighing and measuring business. We check up to see how much each child has grown. I know when I'm doing that, I'll be thinking back to the years when I used to measure and weigh you, and wonder why you didn't grow more. I didn't know then that you were getting ready to do the big job you are doing now, but everything that was done for you then has made you a stronger and, I feel, a braver man! I wish I could check up on you this year and see how much you've grown, not just in statue, but in the invisible qualities that go to make up real manhood. If I could do this I know that the results would be most satisfactory."

Among those going in the middle of December to Camp Croft, S. C. for their induction into the army were Robert Dixon Stinson, son of Mr. Stinson at Barium who manages the farm, and Lester Parks King. Both of these have been working in Statesville.

Football Resume of 1942

(Continued From Page One)

less for a good part of the first half. Barium might have scored in this game, for Donny Bolton bringing back a kick-off, had gotten through almost the entire Salisbury team and was cutting in to avoid the last two when he collided with the Umpire! And great was the fall of both and hopes for a touchdown on that play went glimmering!

The following Friday Barium Barium played her last home game against that big team from Morganton and Morganton finally got revenge and the score was Morgantan 26, Barium 0. Morganton has a grand team and to us it seemed to be a better team than than they had had in previous years, and yet their record for the season was nothing like as good. They had lost games to Marion by 1 point, to Lincolnton by one point, and won from Charlotte by 1 point.

Following the Morganton game, we had our unscheduled game with Statesville and it was a delightful occasion. Statesville was really as strong as Barium and it was one game we played with Statesville in which Statesville was not the underdog. Our boys played grand ball - they fumbled away several chances early in the game, but commenced to click by virtue of some good lateral stuff from Bolton to Burney and two perfect passes, Davis to Burney, and then a brilliant pass interception by Davis, all of this summing up to 25 points. Statesville scored by a pass to Robin Gray, a Barium grand-son, by the way! All in all not a bad beat.

Barium played to its usual big crowd at Charlotte, three other schools made it Home-Coming day when we played them. All in all we think the fans and the teams treated us mighty nice, and our team ended up the season without allowing any disgrace to fall upon them. We lost more games than we won, but we didn't lose the respect of a single one of our opponents.

We didn't have much activity in the strictly 125-pound class. They only had three games - one which they lost to Victory Schools in Gastonia 27-0. One which we won over Kannapolis 26-6, and a later game 13-13. The B-Team, which is made up of the 125's and the over-weight boys who are still not varsity regulars, played six games and all were quite interesting. We defeated Jackson Training School 14-0, lost two games to Morganton, first 27-0, second 14-7. We split with Taylorsville, winning one 14-7, losing one 13-7, and lost one to Concord, 21-0.

The 100-pound team had seven games, losing two, tying one and winning four.

The 85-pound team had a much busier time than they usually have, playing six games. They won two of these. They tied one and lost three. That 85-pound team has a back field that is worth watching. If those boys will grow, who knows? We may have a team someday that will make history like that musical bunch of a few years ago.

The football banquet was held a week ago. Donny Bolton, the football captain, was presented a trophy as a tribute from his team, he was also selected as the most valuable player of the 1942 season, as well as the best tackler. Ernest Stricklin was voted the best blocker. Esau Davis was elected captain for 1943.

As we look back on it our team had many handicaps to overcome. Not only was the team light and inexperienced, but most of our games were away from home and it looked like every team that we played put on their best performance the day we played. Concord team admits that our game was one of the best - they put one other game ahead of that. The people who saw Charlotte perform, without hesitation say Charlotte played their best game against us. Thomasville folks are quite ready to say that they never reached the peak any time during the season that they did against us. The Children's Home played like a well oiled machine - everything they did clicked.

Kannapolis says they played their best game against us, the same with Salisbury and Morganton. Albemarle did not play anything like their best against us, so it looks like we had the tough teams playing their best ball all the way through. All the more honor to that valliant crew who represented Barium this year!

Following is the record of the Barium teams:

Girls In Home Ec. Entertained With Tea

The members of the second year home economics class of Barium Springs High School were hostesses at a lovely tea on Friday afternoon, December the eleventh, at Lottie Walker Building.

The Christmas motif was effectively carried out. Christmas balls arranged on cedar and silver berries formed the central decoration for the tea table. In the midst of this decoration were four red tapers. The silver and red decorations were effectively accented by burning red tapers against a background of green. Silver stars were above this.

Misses Mae Lynn Jones and Jarie Smith received at the door. Miss Lilly Bryant presided at the tea table. Assisting in serving were Misses Marie Morgan, Lillian Sanders, Juanita McMasters and Evelyn Coppedge.

Music for the evening was furnished by Miss Mary Stewart McGoogan.

The tea was given under the direction of Miss Anne Gaitley, home economics teacher.

Approximately fifty guests called during the evening.

Football Warriors Honored

(Continued From Page One)

Jos. B. Johnston gave out the varsity letters and made the announcements of the various awards.

In his remarks Mr. Johnston expressed a firm belief that the fundamental training that the boys at Barium have been receiving on the gridiron and will receive are enabling them now, and will help them in the future, to be better soldiers, sailors, airmen or in whatever branch of the service in which they might be affiliated. He paid tribute directly to the varsity who entered the 1942 season at a decided disadvantage, but which kept plugging away, taking their defeats in stride and ending up the year with a creditable performance for the 11-game schedule.
